Delivery on all stock	\$100.00
------------------------------	-----------------

There is a 50% replacement guaranty up to one year on all stock purchased. The customer gets ½ the cost back towards anything else.

If you plant, bring the plant in so we can try to identify what happened and get ½ credit.

If we plant it for you, pick out a new plant. We will replace it, but we do have to charge for replanting.

Shade tree holes need to be dug 4' wide X 22" deep. This will give you plenty of room to get your tree in and let it settle in the ground naturally.

We have \$100.00 delivery charge per load.

Our cost for planting is 100% of the cost of the tree, shrub, etc... For example: a \$200.00 shade tree would be \$200.00 to plant plus tax. Our minimum planting charge is \$200.00.
