There is a 50% replacement guaranty up to one year on all stock purchased. The customer gets 1/2 the cost back towards anything else.

If you plant, bring the plant in so we can try to identify what happened and get 1/2 credit.

If we plant it for you, pick out a new plant. We will replace it, but we do have to charge for replanting.

Shade tree holes need to be dug 4' wide X 22" deep. This will give you plenty of room to get your tree in and let it settle in the ground naturally.

We have \$250.00 delivery charge per load.

Our cost for planting is 100% of the cost of the tree, shrub, etc... For example: A \$300.00 shade tree would be \$300.00 to plant plus tax. Our minimum planting charge is \$300.00
